Operates in high ambient temperatures

STRONG • EFFICIENT • VERSATILE

HIGH PERFORMANCE 61 LITRE FRIDGE / FREEZER

Gas / 12 V / 240 V

A recent addition to the Bushman family, the XD 70 is a large, 61 litre 3-way chest fridge or freezer. The XD 70 runs on Gas, 12 V, 240 V and carries a tropical "T" rating for operation in high ambient temperatures.

This fridge requires a stable, level surface to work and runs for up to a month on a standard 9kg gas bottle. So it's perfect for those long stints in the one place.

XD70 3-WAY FRIDGE / FREEZER
