

# Consul 231 Litre Gas Fridge/ Freezer

An ideal free standing L.P. Gas operated Refrigerator/freezer, the Consul 231litre is perfectly suited to domestic and leisure application. The fridge has a capacity of 200 litres with the convenience of a separate door for the 31litre freezer.

Features are: generous door shelves designed to hold large drink and milk containers, an interior light powered by two 'D' size batteries (not included), piezo ignition (hammer and spring mechanism – no electric required!), reversible doors, easy installation and low operating costs. The CONSUL 231 is now also available in Stainless Steel finish (+ \$200).
