

# Waeco 12/24V Fridge/Freezer 212L (171l + 41l)

Everything you want from a 12/24V fridge freezer including a fully hermetic Danfoss BD50F compressor with integrated control electronics, low-voltage protection, mechanical, continuously variable thermostat, anti sweat front flange dewpoint coil.

Magnetically sealed doors open the way to 171litres of interior lit fridge storage: door storage bins, 3 safety glass shelves - 2 of which are adjustable – and a salad/fruit drawer. The separate 41litre deep freeze compartment also house a storage shelf. The question is: do you want left or right handed door opening?

Ideal for a motorhome, caravan , yacht or boat – or any 12V or 24V situation.
