Where the destination of the parcel is not more than 50 km (radial distance) from the Nimbin Post Office.

Light, bulky parcels over 1kg, charges will be based on the 'deemed weight' where this is greater than the actual weight. The 'deemed weight' is the parcel's volume in cubic metres multiplied by 250.

Where an article is lodged which is in excess of the weighing capacity of an Australia Post Office, an agreed charge will be applied which is fair and reasonable in all the circumstances.

Where agreement cannot be reached, the office may refuse to accept the article.
